

PRIVACY POLICY

This document is aimed at describing the privacy policies adopted by Dalaleo Srl, Riva del Garda (TN), Piazza San Rocco n. 7 as subject responsible of managing this website.

This moreover is an information provided in accordance with art. 13 of the Legislative Decree 30th June 2003 no. 196 to the users of the services supplied via web on this site. The following notes are inspired by Recommendation no. 2/2001 of the European Data Protection Supervisor for the protection of personal data implemented on 17 May 2001 by the European authorities for personal data protection, with Art. 29 of Directive no. 95/46/EC in order to identify several minimum requisites for the collection of personal data online, and, in particular, the procedures, times and the nature of the information that data controllers must supply users when the latter connect to web pages, regardless of the purposes of connection (pursuant to articles no. 6, 7, 10 and 11 of Directive no. 95/46/CE).

THE DATA CONTROLLER

Data concerning identified or identifiable subjects can be processed following consultation of this website. The data controller who processes this data is Dalaleo Srl, Riva del Garda (TN), Piazza San Rocco n. 7. More concise information about each service provided.

WHERE DATA PROCESSING TAKES PLACE

The processing operations connected to the web services of this website (physically hosted by Alpikom S.P.A.) take place at the above-mentioned offices of the Data Controller and are carried out only by personnel of the Department in charge of processing, or by persons in charge of occasional maintenance operations.

No data deriving from the web service shall be communicated or disseminated.

The personal data supplied by the users who request dispatch of informative material are used with the sole purpose of supplying or performing the service requested and are communicated to third parties only if necessary for this purpose.

TYPES OF DATA PROCESSED

Navigation data

The computer systems and software procedures in charge of the website's operation acquire, during their normal operation, some personal data (so-called log files) the transmission of which is implicit in the use of internet communication protocols.

This information is not collected in order to be associated to identified data subjects, but due to its same nature can, by means of processing and integration with data held by third parties, allow users to be identified.

This category includes the IP addresses or domain names of the computers used by the users to connect to the website, URI (Uniform Resource Identifier) form addresses of the resources requested, the time of the request, the method used to submit the request to the server, the size of the file obtained in reply, the numerical code indicating the status of the reply given by the server

(done, error, etc.) and other parameters concerning the user's operating system and computer environment.

These data are used with the sole purpose of obtaining anonymous statistical information concerning the use of the site and to check its correct operation and are erased at immediately after their elaboration. These data can be used to ascertain responsibility in the case of hypothetical computer crimes to the detriment of the website: apart from this case usually web contacts are stored for no longer than seven days.

Data supplied voluntarily by the user

In this site the user may voluntarily provide personal data, including the e-mail address for the following purposes:

- Receive information about offered services;
- Receive periodic newsletters;
- press area log in.

Specific concise information concerning personal data shall be cited or visualised in the web pages.

COOKIES

With the term Cookies it is intended a textual file saved on the user's hard disk only after authorization. If authorization is given, the text is downloaded as a small file. Cookies are meant to ease web traffic analysis or to signal when a specific website is being visited, they furthermore allow web applications to give information to the users. No personal data is collected. Cookies are not used to transmit information of a personal nature, nor are user-tracing and identification systems used.

SUBMITTING DATA IS OPTIONAL

Excepting for that specified for navigation data above, the user is free to provide personal data contained in the request forms to our Company. Failing to submit personal data may make it impossible to process the request.

DATA PROCESSING PROCEDURES

Personal data are processed by paper and/or computerised means for the time necessary to realise the purposes for which they were collected. Specific security measures are observed in order to prevent the loss of data, unlawful or incorrect use and unauthorised access.

DATA SUBJECTS' RIGHTS

The subjects to whom the personal data refer have the right, at any time, to obtain confirmation as to whether such data exists and to know its content and source, check its accuracy or request its integration, updating or rectification (Art. 7 of Legislative Decree no. 196/2003.).

Pursuant to the same article the Data Subject has the right to obtain the erasure, anonymisation or blocking of data that has been processed unlawfully, and also to object in any case to its processing, on legitimate grounds.

Such requests shall be made to the data controller.
